

## ***Promoting social inclusion skills in a post-truth world: A gamified online platform and curriculum***

**As part of the PROMIS Erasmus+ Strategic Partnership, an international group of university scholars published the e-book *"Building inclusive societies by promoting social inclusion and reducing discrimination: Theories, research, and interventions"*.**

**This e-book presents theories and studies regarding the inclusion of marginalized groups, such as immigrants, ethnic minorities, people with disabilities or low socio-economic status. In order to provide an in-depth understanding of the challenges faced by disadvantaged groups, the e-book also includes case studies and evidence-based interventions targeted at fostering social inclusion.**

**The project partners are: Babes-Bolyai University (Romania, coordinator), University of Bologna (Italy), University of Bordeaux (France), Cardinal Stefan Wyszyński University in Warsaw (Poland), Kaunas University of Technology (Lithuania), Utrecht University (Netherlands), and eLearning & Software (Romania).**
