

Intensive Program for students “Promoting Social Inclusion in a Complex World (PROS)”

Between the 22nd and the 28th of March 2021, 32 students and 18 teachers from 6 countries will come together online for the Intensive Program “*Promoting Social Inclusion in a Complex World (PROS)*”. Throughout the week, experts in the field will help students from 6 European universities to better understand the many facets of social exclusion. Teachers will also guide students towards improving their competences of working with marginalized groups.

The program is part of the Erasmus+ Strategic Partnership “*Promoting social inclusion skills in a post-truth world: A gamified online platform and curriculum (PROMIS)*”, which brings together the following partners: Babes-Bolyai University (coordinator), University of Bologna (Italy), University of Bordeaux (France), Cardinal Stefan Wyszyński University (Poland), Kaunas University of Technology (Lithuania), Utrecht University (The Netherlands), and eLearning & Software (Romania).
